Recycling and Rubbish Removal

08/14/08

---

1625 Brogan Road • P O Box 551 • Stockbridge, MI 49285 • 517-851-4388

---

## • Household rubbish/garbage removal:

Rubbish/garbage will be picked up every Wednesday. In the event of a holiday, which falls on Monday, Tuesday, or Wednesday, the pick up day will be moved to Thursday. All items must be at curbside by no later than **7:00 a.m.** on the day of pickup. A reasonable amount of regular household rubbish/garbage will be taken. Excessive rubbish, clean-up or unacceptable materials will be left at curbside. Items for pickup, including bagged rubbish/garbage, cannot exceed 50 pounds per item/bag.

Residents are allowed one large item per week per resident without charge. Large items include, couches, chairs, mattresses, tables, washers, dryers, etc. If you would like more than one large item picked up in the same week please contact Mid-Michigan Rubbish to make arrangements. Any fees for this service will be billed directly to the resident. Additional items will be left at curbside unless prior arrangements have been made.

Items containing Freon (refrigerators, freezers, air conditioners etc.) need to have the Freon extracted. If the item does not have a tag indicating that the Freon has been removed it will not be picked up. If you would like Mid-Michigan Rubbish to extract the Freon please contact our office in advance to make arrangements. A \$25 fee for this service will be billed directly to the resident.

## • Items that are not acceptable with the household rubbish/garbage removal:

Items include rocks, bricks, stone, concrete, cement, dirt, sand, oil, gasoline, propane, gasoline or propane tanks, fuels or flammables, ammunition, auto batteries (lead acid batteries), engine parts, large pieces of steel, tires, toxic or hazardous materials, wet paint, construction debris (shingles, drywall, lumber, carpet, etc.), items larger than 4 feet in length, poison ivy, large roots, animal waste that is not properly bagged, or any item that would be considered hazardous or toxic materials. If you're unsure of an item please contact Mid-Michigan Rubbish before placing it with your rubbish.

Arrangements can be made for the pick up and disposal of most construction debris. Lumber should be cut to no larger than 4 feet in length and bundled small enough for one person to handle. The fee for construction debris is \$25-\$30 per cubic yard as determined by the Mid-Michigan Rubbish employee at the time of pick up. Larger sections of carpet should be cut in 4 foot lengths (or less) and secured in no larger than 2-foot diameter bundles. Small rugs or carpet scraps (2-3 bundles or less) can be placed with regular rubbish without charge. Typically the charge for an average size room of carpet is \$15-\$25.

## • Yard Waste Removal:

Yard Waste will be collected every other week from April 1st through November 30th on the opposite week of Recycling. All items for pickup must be out to the curbside by **7:00 a.m.** Items such as: grass clippings, twigs, sticks, leaves, tree and shrub clippings, and garden debris, should be in a **BIODEGRATABLE BAG**. There is a limit of 10 bags per residential unit per pick up, and cannot exceed 50 pounds per bag. Please make sure dirt is removed from roots and debris. Plastic bags or other non-biodegradable containers will not be accepted. Brush, branches or limbs 2 inches in diameter or smaller will be taken if contained or tied in bundles no larger than 4 foot in length by 2 1/2 foot in diameter, convenient enough for one person to put in the truck.

## • Recycling:

Acceptable items do change from time to time as the market demands. Please refer to the Recycling guidelines for a complete list of currently accepted items. Recycling Guidelines are available on the Village of Pinckney website at [www.villageofpinckney.org](http://www.villageofpinckney.org), or by calling Mid-Michigan Rubbish, LLC at 517-851-4388.

**If you have any questions please call 517-851-4388**
